DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Claims 9-14 are allowed, because the prior art does not disclose all the specific elements recited in claim 9. In particular, elements involving the "leader duration determiner", "leader streamer", "leader re-broadcast interval" and "leader multicaster" are not anticipated in the prior art taken with all the other limitations. While the overall system has analogous prior art, including Kochanski and Zetts as cited above, the details of the method render claim 9 allowable. Claims 10-14 are allowed because they depend from claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy R. Newlin whose telephone number is (571) 270-3015. The examiner can normally be reached on M-F, 8-5 EST.
